

NURSE EDUCATORS: Making Small Teaching Changes for Big Learning Impacts

Annual Conference | April 21, 2022 | Virtual

Overview

Join us as we explore simple, yet impactful teaching strategies you can use in everyday practice. Expert educators will illustrate the connection between teaching strategies and their impact on learning. There will be podium and poster presentations highlighting exciting new work in the field. Don't miss our endnote which will shine a spotlight on how small changes can affect the teaching-learning experience.
