

NextGen NCLEX Sessions

A Preparatory Series for Maryland Faculty

Session 1.1

Using Clinical Judgment Model Across the Curriculum

presented by

Diane Billings, EdD, RN, ANEF, FAAN

Monday, Oct. 4, 2021 | noon – 1:30 p.m.

Session Description:

In this session participants choose one model to use across their curriculum and will consider how to use that model at all levels of their academic program.

Session Learning Objectives:

After engaging in this session, the participant will be able to:

- Choose a clinical judgment model to implement across their curriculum.
- Consider how to implement one model across a curriculum.
- Engage in using an example of how to use a clinical judgment model.

Session Preparation:

Prior to attending this session, participants should be familiar with how clinical judgment is being taught at their school and be prepared to work with their faculty to identify ONE CJ model to use in all courses.

Readings:

Dickison, P., Haerling, K, Lasater, K. (2019). Integrating the National Council of State Boards of Nursing Clinical Judgment Model into Nursing Educational Frameworks. *Journal of Nursing Education*, 58 (2), 72-77.

Continuing Education:

Nurses may receive 1.5 contact hour for attending this activity. To receive CE, submit the following: Completed activity evaluation that will be sent to you via email and complete the acknowledgement section of the evaluation. Nurses will receive a CE certificate via email from the University of Maryland School of Nursing (UMSON) within two to four weeks after submitting the completed forms and fee.

The University of Maryland School of Nursing is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's (ANCC) Commission on Accreditation.
