

NextGen NCLEX Sessions

A Preparatory Series for Maryland Faculty

Session 3

Overview of Next Generation Questions

presented by

Desiree Hensel, PhD, RN, PCNS-BC, CNE

Friday, Oct. 22, 2021 | noon – 1:30 p.m.

Session Description:

In this session, the participant will review Next-Gen item types and consider their use in testing each step of a clinical judgment model. The session also includes information on scoring each item type.

Session Learning Objectives:

After engaging in this session, the participant will be able to:

- Choose the appropriate test item type to measure each step of a clinical judgment model.
- Calculate a score for each item type.

Session Preparation:

Prior to attending this session, participants should be familiar with the Next-Gen Test Item Types and how they are used to test each step of a Clinical Judgement Model. Read NGN News, Fall 2019, Item Types and NGN News, Summer 2021, Scoring <https://www.ncsbn.org/15991.htm>

Readings:

Dickison, P. (2021). *Next Generation NCLEX Update*. https://www.ncsbn.org/2021_MYM_pdickison_NGN.pdf

Dougherty, C. (2020). *Prioritization & clinical judgment for NCLEX-RN®*. FA Davis

Ignatavicius, D. (2021). *Developing clinical judgment for professional nursing and the Next-Generation NCLEX-RN® Examination*. Elsevier

Rupert, D. (2020). *NCLEX-RN: Alternate format questions*. Lippincott.

Continuing Education:

Nurses may receive 1.5 contact hour for attending this activity. To receive CE, submit the following: Completed activity evaluation that will be sent to you via email and complete the acknowledgement section of the evaluation. Nurses will receive a CE certificate via email from the University of Maryland School of Nursing (UMSON) within two to four weeks after submitting the completed forms.

The University of Maryland School of Nursing is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's (ANCC) Commission on Accreditation.
