

**ARE YOU CONSIDERING APPLYING FOR A GRADUATE OR DOCTORAL PROGRAM?
NOT SURE WHICH PROGRAM IS RIGHT FOR YOU?**

Guiding Initiatives for Doctoral Education

GUIDE™

The Guiding Initiative for Doctoral Education (GuIDE) is a program to guide and support Baccalaureate and Advanced Practice Nurses moving forward with career development.

The GuIDE Bootcamp offers a full day of interactive discussion with colleagues and expert faculty on the distinct differences in the major doctoral educational opportunities including: PhD, DNP, EdD and DrPH.

- Discussion on how to choose the optimal doctoral program/university for you
- "Must-Do's" to maximize your application strengths
- Impact of strong mentorship teams
- Balancing family/work/school demands

**PAST PARTICIPANTS
HAVE SAID:**

"Loved it!! The whole topic was broken down into manageable pieces to help process a very serious life altering decision."

"I left there feeling as if the mental barriers to furthering my education were beginning to lift."

"The most valuable elements were, the availability of the faculty, and the sense of community created among the attendees."

The program is led by
